

# The Northern Lights Pre-School

“Committed to safeguarding and promoting the welfare of children and young people”.

## Welcome

A huge welcome to our new children and families. We are looking forward to seeing your child(ren) grow and reach their full potential.

## International Women Day 2022

Thank you to our fantastic mummies who visited us and presented their skills and various qualities. It was a delight to hear what you all had to share from singing, cooking, DIY, managing the household, sewing, and entrepreneurial skills. Children and staff were impressed and amazed to hear your amazing experiences.

## Tapestry online Journal

Thank you for continuing to share the activities you are doing with your children both at home and outdoors. It is heartwarming to see how engaged and happy they are.

### Library

Our preschoolers enjoy reading books and listening to stories. What about visiting your local library and borrow books to read at home?

### Toilet Training

Well done to our newly toilet trained children. We encourage all children to be independent in their self-care, to support them in their self-awareness.

### Stay Active and Well being

Children thoroughly enjoy taking part in the 'Daily Mile' session. Encourage your child to stay active and explore the local parks. This will participate in improving their overall mental and physical wellbeing.

### Tooth Brushing

All children will receive a tooth brushing pack to take home. Please use this opportunity to talk about oral health and the importance of eating healthy to protect our teeth.

### Reminders:

#### Spring Weather

Due to the change in season and weather, please ensure your child is wearing appropriate clothing for the weather. We are planning on taking more trips to the park and walks in the local area.

#### Absences

In case of absences, can you please contact the preschool at the beginning of the session: 01422 251925.

It is very important that you inform us of your child's absence.

#### Safeguarding

All safeguarding concerns should be reported to the Designated Safeguarding Lead, Mrs M'Linde or in her absence to the Deputy Safeguarding Lead, Mrs Majeed.

#### Parking

Reminder to all parents to park safely when dropping or collecting their children. Please avoid parking at the entrance of preschool. It is preferable that you park your car further away and walk to preschool as it can difficult and dangerous to manoeuvre near the preschool entrance.
