

The Northern Lights Pre-School

“Committed to safeguarding and promoting the welfare of children and young people”.

“A secure, safe and happy childhood is important in its own right. Good parenting and high quality early learning together provide the foundation children need to make the most of their abilities and talents as they grow up.” (EYFS, 2021)

Stay and Play Session

Children were happy to play with their parents and show them their favourite areas and activities. Special thank you to all the Mummies and Daddies who came along to meet their child's friends. It was also a nice opportunity to have an informal chat with your child's key person.

Coffee morning

Thank you for sharing your outings ideas and suggestions. Visiting the local waterfalls seem to be very relaxing! To support your home learning environment and your child's cultural capital, you can also visit or download the app **50thingstodo.org** to get more outings and activities ideas for children under 5.

Parents' Questionnaire

Thank you for all your feedback. Your comments are very helpful in helping our preschool make further improvements. We will compile the results and share them with you.

Tapestry Online Journal

Thank you for continuing to share the activities you are doing with your children both at home and outdoors. It is heartwarming to see how engaged and happy they are.

Butterfly life Cycle

This term children are delighted to observe the butterfly life cycle. Children have observed the live caterpillars grow into chrysalides. We are now looking forward to watching them change into butterflies. Some children will then go to the park to release them.

Police Station

Following children's interests, we have transformed our arch area into a police station. Children learn what police officers do to keep us safe.

Outdoor walk and visit to the local parks

Children enjoy regular walk in the area and visit to our local park.

Cooking Activities

Children take part in a weekly cooking activity. This helps to support their listening skills, their confidence and to enhance their fine motor skills.
